Residential property with water shut off: Residential properties are required to have water supplies to be determined as able to occupy full-time. If a property has had their water turned off due to failure to pay, the owners will have 30 days to resolve this issue and have their water restored. If they continue to occupy the residence, the appropriate state health department will be notified to address as a health

Consultant, Ones recommended to the council that they reach out to our legislators and/or attend the legislation Hearing (1/17/25) pertaining to the SB2097 Rural

Bather wanted feedback on having a celebration in 2026 in honor of America turning 250 years old. Everyone thought it was a great idea. Need to set up a planning committee and ask the public if interested

Landfill will be burnt in the near future. Streets & Park no report.

There being no further business meeting adjourned at 4:45pm. Next meeting Feb 5,
