

Huskies going to state!

The Hettinger County Huskies track and field team will send 10 athletes to the state meet following qualifications at the Southwest Region Meet in Dickinson May 17. The top three or those with qualifying standards qualify for the state meet in the regional competition.

Among the boys, junior Mark Fitterer qualified in the 100-meter hurdles with a personal record (PR) of 17.10 seconds and a second-place finish. Sophomore Mike Greff qualified in the javelin with a throw of 136’10” for a third-place finish, and freshman Will Grist leaped 40’3.5” for a PR and a third-place finish in the triple jump.

Among the girls, eighth-grader Shaunie Mayer qualified in the triple jump with a PR of 34’7” and a second-place finish.

The girls also qualified with three relay teams.

The 4x100 relay team of seventh-grader Brystol Belland, junior Kallie Dinius, junior Carly Wolf and eighth-grader Teagen Penn took third to qualify. With a qualifying time and taking fourth place, the 4x200 relay team of sophomore Kara Roll, Dinius, Wolf and sophomore Meadow Olsonawski qualified for the state meet. Those same four also logged a qualifying time as the 4x400 relay team.

“We had a great day,” Coach Ron Benson said. “It’s been a great attitude all year. These kids have been lights out. They’ve been fun and they’ve been working hard. They come to run and it’s just amazing.”

“Those girls ran their best performance all year and that’s what you want at the end of the year,” Benson said. “They had good preparation. They had the right mindset and they went after it.”

The relay teams were able to practice on the new track in New England, which was a benefit, Benson said.

“To get on that surface and do quick workouts and do handoffs over there, it really is quite a facility and that is very helpful,” he said.

With a young group of athletes qualifying, Benson is positive about next year’s prospects as well.

“There’s a lot of good talent coming up,” he said.

The 2025 combined Class A and B track and field state meet will be held May 22-24 at the MDU Resources Community Bowl in

Bismarck. Among the top eight places were:
Boys results
100 meter hurdles

Cannonball Clay Dusters stay steady in third

Week four of scoring went well for the Cannonball Clay Dusters. The team is still holding third-place positions in both trap and skeet. This week, there were many strong individual scores in both trap and skeet. Joseph Lien shot another 25 straight in skeet this week as well. The team will

be heading into the fifth and final week of regular scoring and then on to the state tournament in June.

Class 1A Conference 3 Trap
Team standing – third place
Individual conference standings:
Top 25 by conference – male
Westin Gilman – 2nd
Zane Fitchner – tied for 11th

Joseph Lien and Brody Haase – tied for 13th
Top 25 by conference – female
Cheyanne Geerts – 7th

Class 1A Conference 2 Skeet
Team standing – third place
Individual conference standings:
Top 10 by conference – male
Westin Gilman – 1st
Joseph Lien – 2nd

Motion by Chris, seconded by Mike to approve the pledge of securities from Bravera Bank. Motion carried.
Old Business: None
New Business: A resident suggested to move the location of city council meetings as it can be very dark around the meeting room especially in the winter. The resident is worried if someone is disgruntled that they could assault someone or loosen the lug nuts on a vehicle. The suggestion is to move the meetings to the Emergency Services Center due to better lighting and you can better see people coming into the meeting as you can't at City Hall. The resident asked the City Council

to think about it. Can we lock the door once the meeting has started and then open it if someone comes to the door? The council had suggestions to upgrade the area. Increased lighting and to look into getting cameras for all the city hall building and the public works building. Consolidated now installs cameras and the City Auditor will get information on the cameras.
Motion by Breann, seconded by Mike to approve increasing our insurance coverage from NDIRF. Motion carried.
Council Comments: None
Motion by Breann, seconded by Mike to adjourn. Motion carried.
