Weekly Chuckle

I bought a screwdriver bit for my electric drill. It's useful for converting ordinary Phillips screws into non-removable screws.

If a Burger King ever married a Dairy Queen, then they would probably live in a White Castle.

Accepting Grant Applications

Cavalier, ND – The deadline to apply for a Cavalier Community Foundation (CCF) grant is April 30, 2025. Applications are available online at www.ndcf.net/cavalier. Applications must be completed online by April 30th.

Eligible applicants include any organization holding a current 501(c)3 tax status from the IRS as well as schools, park districts and organizations with a formal government relationship. Grants shall be awarded to organizations and projects that benefit the citizens and visitors of Cavalier.

The CCF focuses on projects that have broad community support. The impact a grant would make to a project is also a consideration. Funding will not be awarded for daily operations.

Drayton Students Awarded “Bikes For Books”

The Masons of Tongue River Lodge #22 of Cavalier presented school students of the Drayton Public School with bikes and helmets as part of their Bikes for Books program.

Students pictured above, Thomas, James, Janette, Liberty, Ceira, Bailey,

Bryson and Mac. Standing in back, from left, are Masons Lee Beattie, Mark Ramsay, Bud Symington, John Morrison and Wes Argue.

The lodge selects a different area school each year and presents winners with bikes and helmets. Money is

raised when local Masons sell root beer floats at various events throughout the year, including the Motorcycle Ride-In, Pembina County Fair and Pioneer Machinery Show.

Successful Hotdish Bake-Off Cavalier American Legion Auxiliary Delighted

The Cavalier American Legion Auxiliary and their dedicated friends left the Legion building April 6 after executing their third Hotdish Bake-Off, delighted with the great results of their efforts of raising \$1,750. The money will benefit needy veterans and their families and veteran projects within this community.

The first place hotdish award went to the Auxiliary President, Kaye Furstenuau and her sister, Barb Overbye.

They presented a delicious calico bean recipe. Second place winners, Doug and Revel Sapa, Linda Schlittenhard and Teresa Grimsley-Reichert, baked a Philly cheesesteak casserole. Third place went to Patty Becker, Roseann Winkler and Carol Dietrich with their new and tasty chicken stovetop stuffing casserole.

To those who gave generously of their time and muscle for setting up and taking down, cooking and baking the

delicious food and to those who attended and gave generously. Thank you for honoring the veterans with your attendance. They gave so much so we live well and safe.

Early Easter Sunday morning, April 20, 2025, eleven or twelve veterans from this area boarded the Bravo Flight at Grand Forks for Washington, D.C. Some are legion members. Others are not. Their expenses are all paid. On their arrival they were escorted to their memorial destinations. Several volunteer chaperones, which include doctors and nurse, will see to any and all needs. All meals were furnished with sit down banquets Sunday and Monday evenings. John and Nancy Jensen, Cavalier, served as chaperones. It's a trip that will never be forgotten. Let us wish them a time of their lives and a safe, pleasant journey.
