

Enjoy an evening of baseball

By Gary Howard

Area baseball teams have been getting into the “swing” of things here in town.

Actually, the youth baseball teams representing our city are about halfway through their respective seasons, so you should go out to one of the ball-parks and spend an evening watching these kids play before it’s too late. What could be better than spending an evening watching some baseball?

Game schedules were printed in the *Golden Valley News* on Page 7 of the May 1st issue.

Here are team pictures of the three teams that play in the Cal Ripken Jr. League in Beach.

Highway 21 Treasure Hunt

Discover some treasures and have some fun during North Dakota’s 23rd annual 100-mile rummage sale, the Highway 21 Treasure Hunt.

The Highway 21 Treasure Hunt will be held from 8 a.m. to 5 p.m. MT Friday and Saturday, June 20-21.

“With usually 100 or more rummage sales along the 100-mile route, this is the original of these unique rummage sale events in North Dakota,” says Luann Dart of Elgin, who coordinates the event.

Listings this year include everything from antiques and collectibles to kuchen.

During the event, communities along Highway 21 host citywide

rummage sales. Participating communities include Flasher, Carson, Heil, Elgin, New Leipzig, Mott, Regent and New England. Rural residents host sales, too, so watch for signs along the route for additional sales. Also watch for sales along Highway 6 in the St. Anthony area.

Listings for each community’s sales will be available at certain locations in that community, as well as on the Highway 21 Treasure Hunt Facebook page prior to the event.

Listings for each community will be available at the following locations:

- Flasher: Fitterer Oil Co., along Highway 21
- Carson: A&S Country Market, Main Street

- Elgin: Our Place Café, Main Street
 - New Leipzig: One list will be posted in window at Dakota Community Bank; lists also at sale in fire hall
 - Mott: Pheasant Café, Main Street, and Oien Grocery, 118 E. Second St. E.
 - Regent: Regent Co-op Store and DFC, on Main Street
 - New England: New England Community Store and The Hub, both on Main Street
- “Hundreds of people have discovered the treasures along Highway 21 during the annual Highway 21 Treasure Hunt,” Dart says. “We encourage everyone to plan to attend the 2025 event.” Those holding sales

are encouraged to keep their sales open throughout the scheduled hours both days unless otherwise listed.

CITY COUNCIL

Continued from Page 1

FEMA about including some additional work south of the 2nd Street culvert drainage project where a resident has had some water issues in her basement. This additional work could not be included in the project until the culvert project was completed, including the pavement. The city has decided to cover this work themselves.

Public Works Director Randy Dietz gave his report next. He asked the council if they would reimburse the new employee for cell phone use in connection with his job, which the council approved.

Council member Tom Marman inquired about how many water meters need to be replaced in the city. He stated that this should be put higher on the list of things to be done.

Auditor Kim Gaugler gave her report next. She updated the Council on the tourist center. Jan Kuchera and Maria Marman will man the center this season.

Another item was the ordinance dealing with storage containers in the city. After a discussion, the ordinance was passed that would not allow them in residen-

tial areas except for construction work.

A request for Community Enhancement funds for the Sentinel Butte Hall was received. They are doing some work on the HVAC in the hall and were requesting any assistance they could receive from the fund. After discussion, the Council approved a \$1,000 payment.

The Golden Valley County Fair Board requested a permit to hold a chicken bingo game during the fair. The Council made the motion to approve the request.

A request from St. John the Baptist Church to block off Main Street from Central Avenue one block east for a Family Fun Night on June 21st was approved by the Council.

There was also a request from Dobré Brewhouse for a permit for an event that same evening. This was also approved by the Council.

As there was no further business before the Council, the meeting was adjourned.
