Dress-

Continued From Front

elle of the duo's special bond and time together.

Barbara (Weigel), who married her husband Tony on August 29, 1964, said she went with both her parents to buy her wedding dress. "My dad had great taste for clothes and I told him I wanted a flow, princess dress," added Barb. She said she found a dress she loved at Penney's. "I

loved it and I remember twirling around in it."

They decided to look at one more place for a dress and her dad urged her to try on the latest style. "It had handkerchief sleeves," Barb explained of the new style dress in the early 60's. As she tried on the second dress at Morey Allen's shop, she said they all knew it was perfect.

> Although it was \$10 more than other dress, Barb and her parents loved it and she said it would be the first of its kind to be worn in the area.

> Danielle said it was such that honor her mom allowed Preché to wear the dress, 61 years later. "Preché and my mom have a very, very unique, close relationship; they are super close and it was super special."

Preche McDurfee with her grandparents, Tony & Barb Braun, during Preche's first communion/confirmation, when she wore Barb's wedding dress, 61 years later.
