BCN News

Barnes County North

During the month of February, the FCCLA group organized a special hat fundraiser to support Prairie Paws Rescue. Students had the chance to wear a hat at school by donating \$1 per day or \$4 for the entire week. On March 14th, the seventh-grade FCCLA members delivered the proceeds to Prairie Paws Rescue, where their donations will help care for animals in need. Meanwhile, the school's Kindness Club contributed to the Humane Society, using money they raised during their popular pet parade event. Both groups demonstrated the power of kindness and community spirit by giving back and supporting local animal shelters. Thank you to all who participated and helped make a difference!

On March 5th, some of our talented 5th graders from Barnes County North had the exciting opportunity to participate in the 2025 K-12 Technology Showcase at the North Dakota State Capitol in Bismarck.

The students set up displays in the Capitol's Memorial Hall and showcased their impressive Minecraft projects based on the novel Number the Stars. They also shared how they incorporate MicroBits in the classroom to enhance hands-on learning and develop coding skills.

Superintendent Kirsten Baesler stopped by to meet and chat with the students and their teacher, Krista Amann, and praised their creativity and innovation.

We're proud of our 5th graders for representing BCN and sharing their knowledge and skills at this statewide event. Outstanding job, everyone!
