Bowdon City Council Minutes

PROCEEDINGS OF THE
BOWDON CITY COUNCIL
Regular Meeting
August 4, 2025 at 7:00pm

Mayor Widicker called the meeting to order, with Alderman Martin and Alderman Hoff present. Anne West was also in attendance. The financials were reviewed, but no action was taken at this time.

Old Business
Tom has begun work on the water drainage project on Park Avenue. Nancy and Laural will have their water shut off once their curb stops are replaced, which is scheduled through Central Plains Water. The replacement may take up to another month. Other households paid last month and have been notified for August.

Jerome Fike purchased the two lots discussed at last month's meeting for \$3,000.

We are still waiting to hear from the insurance adjuster regarding hail damage claims to city property.

Mosquito spraying took place at the end of July.

New Business
The preliminary city budget will be submitted to the County this week and will also be posted for public viewing.

When using the city dump:
Shingles must be placed in the north pit, about 100 yards north of the metal pile—not next to the metal pit.

Windows and vinyl siding may be disposed of in the pit next to the metal pile.

The dump was inspected in July, and several violations were noted. Mayor Widicker addressed the issues on Sunday, including the removal of household garbage. Some of the inspector's concerns, however, are not feasible to address.

In accordance with new state law, Public Comment will now be added as a standing item on the agenda for every meeting.

There was a motion to adjourn and a second. The meeting was adjourned.
