## Two awarded JMF scholarships

Two students who plan to pursue medical-related careers are the recipients of a Jacobson Memorial Hospital Foundation \$500 scholarship.

Brooke Banyai, a senior at Grant County High School in Elgin, and Zoey Heid, a graduate of Grant County High School who is attending Dickinson State University, each was awarded a \$500 scholarship.

Banyai, the daughter of Tanya Banyai and Greg Banyai, plans to attend Bismarck State College to enroll in the diagnostic medical sonography program.

Applicants were asked to write an essay describing how they would hope to leave an impact on the world.

"By volunteering and supporting my community, I have found a sense of purpose and responsibility to leave a mark on the world," Brooke wrote in her essay. She cited her time as

BANYAI

HEID

a volunteer at the Country Community Cupboard food pantry as a lesson in selflessness.

"Being given the opportunity to bring hope and a sense of unity to those around me is one I am forever grateful for," she wrote. "These experiences have allowed me to gain an insight into how the simplest acts of kindness can change a person's life."

Brooke also shared she hopes to make an impact through her career.

"My goal is to leave a lasting effect by using the knowledge I gain to provide the utmost care to patients," she wrote. Heid is currently

attending Dickinson State University in-person and Mayville State University online, pursuing an undergraduate degree in exercise science. She plans to continue her education in a graduate program at the University of Mary in the fall, with plans to obtain a doctorate degree in physical therapy specializing in orthopedics and sports medicine. She is the daughter of Marty and Kristin Heid, and currently works as a CNA at Jacobson Memorial Hospital Care Center.

"As a physical therapist who specializes in orthopedics and sports medicine, I have realized that I have the potential to make a significant difference on individuals, communities and even the health care system as a whole," she wrote in her

essay.

"Many communities, particularly small rural populations, lack access to quality physical therapy services. Coming from a small North Dakota town myself, I have seen the disadvantages of not having the resources to properly teach young athletes about their physical health and not having proper training," she wrote. "I know that I can bridge that gap and bring essential rehabilitative care to those who need it the most.'

The Jacobson
Memorial Hospital
Foundation is a nonprofit
organization formed
to raise funds to help
financially support the
vital, life-saving services
of the Jacobson Memorial
Hospital Care Center in
Elgin, with clinics in Elgin,
Glen Ullin and Richardton.

"The Foundation's mission is to support JMHCC and this is another way to help educate more health care workers and encourage them to move back to the area following their education," said JMHCC CEO Scott Brooks. "We congratulate both of these recipients of this scholarship. We are excited they have decided to pursue medical-related careers."
