## Riehl Point of View Gina Riehl

Wow! We certainly had some nasty weather last week! I am so thankful there was not more severe damage in our area. Prayers for those who lost homes and even lives across our state. I had been watching the storm chasers in the afternoon and was not happy to see them heading towards Jamestown and the intensity increasing in

the storms. Needless to say, I was praying without ceasing most of the day. Although, we spent about 16 hours without power, it was nothing compared to what others had to endure. Samantha's family was 48 hours without and very thankful to have it come back on Sunday night. So with no power and no way to make coffee and have a hot meal

we headed to Rusty's Saturday and was happy to visit with Ona and Darryl Bures who were in the same situation. Family was coming in Saturday, but they waited until Sunday due to the situation. The Lugers and the Cullitons joined us at the Heritage Center and had dinner to celebrate Bill's birthday. At the last Music in the Park gathering, it was very sad to notice that there were a couple pieces of farm equipment that were driving way too fast down the main street. It really doesn't matter if you are in the middle of the city, the township of Raleigh, or a country road, we need to obey the speed limit signs. If you don't know what that is, I suggest you find out.

Children could run out and be in the way with no warning. Older people don't move as fast or are able to get out of the way as quickly. Last week, someone was run over in Bismarck. So please don't be in such a hurry and slow it down. We need to keep people safe. This Saturday is the annual Raleigh Parade and Tractor Trek. I hope we have continued good weather for the event. Our thoughts and prayers go out to the family of Kathy Polensky. She will certainly be missed. Happy birthday to Heather Fleck. *"My flesh and my heart may fail, but God is the strength of my heart and my portion forever."* -Psalm 73:26
